

PARTNERS WITH THE BEVERAGE INDUSTRY

STANTON IP LAW FIRM, P.A.

At Stanton IP Law Firm, P.A., we are poised to handle all aspects of intellectual property and beverage law protection for breweries.

STANTON IP LAW FIRM, P.A.
YOU OWN IT. WE PROTECT IT!

ABOUT OUR FIRM

Stanton IP Law Firm focuses on protecting, enforcing, and monetizing intellectual property rights for clients by obtaining IP protection both in the U.S. and abroad, trademarks at both the federal and state levels, copyrights on works of art, and keeping trade secrets confidential.

Founded by Thomas H. Stanton, Stanton IP Law Firm leverages over 15 years in a variety of industries to revolutionize the traditional law firm model in order to deliver results-oriented, client-centric representation to clients ranging from startups to Fortune 500 companies.

OUR VISION

In grain to glass style, Stanton IP Law can assist with all aspects of the beverage industry—from manufacturing to distribution, start-ups to commercial production.

We offer service packages at a flat monthly rate to fit the legal needs that allow you to budget accordingly. We also offer our services at a competitive hourly rate.
